Title: 1 2 three to the zoo  
Author: Carle, Eric  
Genre: Counting  
Theme(s): animals  
Brief booklet  
Summary: (This is one other vintage from Eric Carle. The booklet is set a educate wearing animals to the Zoo. First, the engine of the teach is shown. Then one cart at a time is shown, ranging from one animal, and going alongside as much as ten animals. on the end, a tremendous web page opens exhibiting the entire animals together. )  
Professional Recommendation/Review #1: (Children's Literature - Marilyn Courtot  
Hurry up and get aboard the train. a suite of animals starting from one very 1, 2, 3 to the Zoo huge elephant to 5 pairs of birds is headed for the zoo. As each one quantity and the corresponding variety of animals is

introduced, one other automobile is further to the educate operating alongside the ground of the page. as soon as at their destination, the automobiles are emptied and the animals absorb place of dwelling on the zoo. remodeled right into a board book, Carle's pleasant collages are nonetheless beautiful and children may have enjoyable naming the animals, counting them, and recognizing that little mouse 1, 2, 3 to the Zoo that looks in each scene. )Professional Recommendation/Review #2: (Publishers Weekly - Publisher's Weekly)Each vehicle of a zoo-bound teach incorporates a assorted variety of vibrant, stylized animals; their vacation spot is depicted 1, 2, 3 to the Zoo in a fold-out finale. a long time 3-7. (July)Response to 2 expert Reviews: (Both reports spotted the little pal hiding in each picture; I needed to return and 1, 2, 3 to the Zoo search for it. the 1st overview mentions how on the finish of the e-book it becomes a board book. the writer did this to permit the reader to open the gorgeous tremendous photograph packed with colours and exhibit all of the animals jointly in a single page.)Evaluation of Literary Elements: (Just like others of his books, Eric Carle makes use of attractive collages which capture kid's attention. whatever diversified Eric does from his different books is that he contains a secondary tale by means of hiding a personality that looks in each picture. This counting e-book is going as much as ten. )Consideration of educational Application: (Obviously, it may be used to aid 1, 2, 3 to the Zoo little ones count number as much as ten, however it is usually used to educate addition through placing different types of animals together. for instance if we are saying what percentage animals can we get if we placed the giraffes and the birds together? that might be  $10+3=13$ )
