# A Theology of the Jewish-Christian Reality: Part I: Discerning the Way

Paul M. van Buren

this can be the first, and such a lot A Theology of the Jewish-Christian Reality: Part I: Discerning the Way referred to, Christian systemic theology to clarify for the Church the relevance of the continued lifestyles of the Jewish humans to each point of its theology. the 3 volumes got down to right an important and primary deficiency within the field: that the continued lifestyles of Israel, the folk of God and the folks of Jesus, whose ancestors produced through a long way the most important a part of the Church's Bible, and who've lived by means of the covenant of these Scriptures throughout the ages, has been both overlooked or taken care of negatively. A Theology of the Jewish-Christian fact keeps to stimulate clean pondering the rules for liable theological reflection. This starting quantity explores the results of the Church's personal confession that the God it worships is the God of Israel. simply this truth, it really is argued, is expressed within the Church's doctrine of the Trinity, and it grounds the extra reflections at the Church's identity, at the Bible, on revelation and on redemption. initially released in 1983 through Harper and Row Publishers.
