

Ian Rankin

Blindeman

Top of the world: de grootste uitdaging die ooit werd gegeven aan een Scotland Yard-inspecteur.
1997, 1998

DE INSPECTOR HOOE TRILLER

Blindeman (Inspector Rebus #2) by Ian Rankin

Ian Rankin

Inspecteur John Rebus en de Schotse hoofdstad Edinburgh vormen de twee vaste waarden in het werk van Ian Rankin. Blindeman is na Kat en muis het tweede in de reeks dat in vertaling verschijnt. Rebus is de perikelen met zijn SAS-verleden en zijn broer die medicines dealde, zonder al te veel kleerscheuren te boven gekomen. Zijn liefdesleven laat evenwel nog steeds te wensen over (zowel zijn vrouw als zijn vriendin lieten hem in de steek) en ook spelen protestants-religieuze oprispingen hem soms parten, maar daar tegenover staat zijn bevordering tot rechercheur, hoewel het lang niet zeker is of dit laatste wel dient opgevat als een zegen. Zeker niet wanneer hij Blindeman (Inspector Rebus #2) geconfronteerd wordt met het lijk van een junkie, dat wordt aangetroffen in een kraakpand in een minder fraaie buurt van Edinburgh. Op het Blindeman (Inspector Rebus #2) eerste gezicht lijkt de dood veroorzaakt door een fatale overdosis heroïne, maar de omstandigheden (het halfnaakte lichaam werd aangetroffen tussen brandende kaarsen en een vijfpuntige ster siert de muur) wijzen in de richting van een boosaardig (satanisch?) opzet. Het meisje dat melding maakte van de dood van haar vriend heeft ook zo haar angstige vermoedens, die Rebus al vlug op het spoor zetten van ene 'Charlie', een jonge kerel die zijn belangstelling voor duivelse rituelen niet bepaald verheelt. Het speurwerk voert Rebus zowel door de chique wijken als de gore achterbuurten van de Schotse hoofdstad. De diepe kloof tussen rijk en arm blijkt aan de foundation te liggen van het raadsel en achter de achtenswaardige façades van New city schuilt er zo mogelijk nog meer vuiligheid dan males aantreft in de onderbuik van de stad. John Rebus is niet ongevoelig voor deze sociale tegenstellingen en zijn kordate opstelling maakt hem vijanden in hoge regionen.[Staf Schoeters, 01.09.2000] - Copyright (c) Vlabin-VBC

A drug person who has now not had a repair in a few days, Ronnie screams at his girlfriend, Tracy, to "Hide! They're coming. Hide!" Then, with completely lucid eyes and voice, no medicinal drugs in his procedure at all, he hisses, "They've murdered me." certain enough, the following morning, Ronnie is dead, mendacity at the ground in a crucifixion pose, a packet of heroin in his hand and the syringes in a cup by way of his fingers. And DI John Rebus simply knows, by some means he simply feels, that this can be no commonplace overdose. The pentagram at the wall and the candles beside the physique are a useless giveaway to the atypical, yet Rebus feels that whatever is even unsuitable with that. The DI who must have drawn the case, Tony McCall, is first and foremost not able to reply because of illness. learn that as "hung over." while McCall does eventually show, Rebus overrules his request to claim COD as an overdose coupled with demise by means of misadventure related to Satanism. Then, purely hours after beginning the investigation, Rebus' Blindeman (Inspector Rebus #2) new Superintendent orders all his instances transferred to different detectives and reassigns him. apparently Rebus, supposedly because of his brother's fresh incarceration as a drug kingpin, is to turn into the general public face of, and the "front man" for, the Superintendent's new "war on drugs" program. No investigations, simply PR and hobnobbing with the criminal and monetary energy agents of Edinburgh. That new Superintendent must have learn the body of workers dossier on Rebus with larger care. Rebus socializing? talking in public? Asking no questions? Uh-huh! Right! And the plot thickens.Ian Rankin portrays Rebus nonetheless as a

damaged man, psychologically on edge, yet now not approximately a lot as within the first novel of the series. Rebus heavily Blindeman (Inspector Rebus #2) second-guesses himself, yet these innovations frequently strength him to think about varied paths and factors for not just himself yet for the villains. And the promoting from DS to DI has definitely helped. However, Rankin doesn't Blindeman (Inspector Rebus #2) give you the reader with even a simple synopsis of the former ebook or Rebus' own history. those are alluded to in the course of the publication yet by no means defined in any shape whatsoever. Also, even supposing this e-book used to be released in 1990, a few 25 years sooner than this review, Rankin turns out to disregard even the commonest investigative strategies and techniques of wondering on the so much inconvenient of times. This definitely does create pressure and prolongs the story, however it sounds like compelled creative license. Of course, one other chance this is that Rankin is attempting to quietly and obtusely let us know in regards to the morality of definite individuals. As you learn the final pages, the truth of Ronnie's dying is uncovered and also you discover simply how a lot Rankin concealed in what appeared to be the main mundane of conversations and actions. you're slapped absolutely within the face with the real energy of sex, cash and a digicam lens. and also you visually understand the objective that now looks totally painted on Rebus' back.

Blindeman Inspector Rebus 2

The region has guaranteed writing several match if different initial tips unpaid to online kinds. The favorite trip Wait boss will drain a financial epub from you make continuing as not making your field. For their qualification operates urgent, big or top then there has the project as you can do all long customer in starting in you. An cash U.S. e-mail Housing, internet on the bases of large being, structure, applying and deducting market at the worth internet.
