# **Current Issues in European Financial and Insolvency Law: Current Issues in European Financial and Insolvency Law: Perspectives from France and the UK Perspectives from France and the UK**

Wolf-Georg Ringe

fresh case-law and laws in ecu corporation and insolvency legislations have considerably furthered the combination of ecu enterprise regulation. In particular, the case-law of the ecu court docket of Justice and the creation of the european Insolvency rules have supplied the stimulus for present reforms in a number of jurisdictions within the fields of insolvency and fiscal law. The UK, for instance, has followed the company Act in 2002, designed, inter alia, to augment firm and to bolster the UK's method of financial ruin and company rescue. In an identical vein, fresh reform in France has modernized French insolvency legislations and has even brought a device just like the winning English 'company voluntary arrangement' (CVA). This publication offers a suite of reviews through a few of the best English and French specialists today, examining present views of insolvency and fiscal legislation in Europe, either at the nationwide point in addition to at the ecu level.
