# Democracy and the Limits of Minority Rights

Nalini Rajan

at first of the twenty first century, we're nonetheless debating quite a few primary matters touching on Democracy and the Limits of Minority Rights center human values, popularly referred to as 'human rights'. Constituting an enormous contribution to the debate, the primary objective of this booklet is to illustrate the basic hyperlink among human rights and democracy. Nalini Rajan continues that human rights can flourish in basic terms in a kingdom which promotes the democratic worth of equivalent attention of person autonomy - i.e., each one person's capability to behave independently. taking on quite a few Democracy and the Limits of Minority Rights very important concerns and ideas like multiculturalism, citizenship, financial rights, and the best to a undeniable caliber of life, Nalini Rajan argues that minority rights aren't the single strategy to counter majoritarianism. She additionally advocates structural and constitutional alterations to render the Indian polity extra federal, relatively via devolution and native self-governance.
