Het leven dient in scène te worden gezet. En je leven in scène zetten, dat kun je niet aan anderen overlaten. Dat moet je zelf doen. Robert G. Mehlman wil de werkelijkheid produceren zoals anderen boeken, movies en schilderijen produceren. 'Het waren deze kleine toneelstukjes die mij gelukkig maakten. Het second dat ik zelf begon te geloven in de zorgvuldig door mij geënceneerde werkelijkheid, dat used to be het second van de euforie. Het second dat het verhaal dat je zelf hebt bedacht er met je vandoor gaat. Het second dat je het idee hebt dat er eindelijk iemand aan de andere kant van het schaakbord heeft plaatsgenomen, dat je niet meer tegen jezelf speelt. Dat moment, dat is het second van de euforie.' Mehlman, schrijver van 268 op de wereldranglijst en werkend aan zijn magnum opus, ziet zichzelf als een parasiet die naar verlossing zoekt. In plaats daarvan vindt hij roem, met zijn internationale bestseller De Pools-joodse keuken in sixty nine recepten. Kookboekenschrijver used to be niet zijn eerste keus, en roem is een lek luchtbed, maar dat beseft hij pas als hij midden op zee zit.

Harpo is de zoon van de beroemde kookboekenschrijver Robert Mehlman. Maar voor hij kookboekenschrijver werd, was once Robert een 'gewone' schrijver, die overal succes had met zijn boek 268 op de wereldranglijst, dat hij schreef over zijn vader, zogezegd een beroemde tennisspeler – beroemd omdat hij eens in de kuit van zijn tegenstander had gebeten. Robert trouwde met de Fantoompijn sprookjesprinses, raakte in een schrijversdip, de schulden stapelden zich op, hij trok er op uit met een volslagen onbekende vrouw 'Het Lege Vat', en daarover schreef hij een boek dat Harpo aan ons, de lezers, voorstelt. Het verhaal van zijn vader, zijn twee minnaressen, zijn echtgenote Prinses Sprookje, en het schrijven van een literair kookboek dat hem op slag wereldberoemd maakte. Absurd, compleet geschift, niet normaal! Zijn woorden die bij Robert Mehlman passen en bij het verhaal. Het wordt op de achterflap vergeleken met De avonden van G. Reve dat ik persoonlijk slaapverwekkend saai vond wish daar gebeurt nu eens echt NIKS in, terwijl ge in Fantoompijn verderleest omdat ge toch wel wilt weten hoe het met die aan de grond geraakte schrijver zal aflopen – vrij goed, zo blijkt uiteindelijk – en tja het is gewoon leuk om te lezen! Fragmentje, hoe Robert zoenen met Het Lege Vat in een reuzenrad beschrijft. "Eerst voorzichtig, later steeds Fantoompijn minder voorzichtig, alsof we de teleurstelling van ons af moesten zoenen, met veel geweld, Fantoompijn zoals je wc's schoonmaakt die al tijden niet zijn schoongemaakt. Het bruin heeft zich goed vastgekoekt aan het porselein." Over missen zegt Robert: "Dat used to be wat ik deed, dat was once de activiteit die ik uitoefende, missen, en op dat second leek het alsof er niet aan dat missen te ontsnappen viel. Nu niet, in het verleden niet en in de toekomst al helemaal niet. Het zou alleen meer worden, tot het als een soort mist om me heen zou hangen, een ondoordringbare mist. (...) Als je iemand mist, ga je diegene haten om aan dat gemis een eind te maken. Iemand die je mist, moet uit de weg worden geruimd, overwonnen, vernietigd."
