FEMINISM, THE STATE AND SOCIAL POLICY

Nickie Charles

Feminism, the State and Social Policy

Nickie Charles

Feminist social hobbies of the Nineteen Sixties and 70s demanded radical switch and an finish to women's oppression. Twenty-five years later, apparently every thing and not anything has changed. So have they been effective? This booklet explores how regulations have replaced and what sort of of this modification is because of social routine activity, in addition to why in a few components of coverage there were large adjustments and in others it's been nearly imperceptible. those concerns are explored by way of evaluating feminist social movements, states, and social coverage switch in Britain, Europe and North the United States within the final 3 many years of the twentieth century.

Feminism The State And Social Policy
