Fundamental Accounting Principles Volume 2 (Ch 12-25)

Softcover with Working Papers and Circuit City Annual Report

John J. Wild

With 50 years of good fortune within the Fundamental Accounting Principles Volume 2 (Ch 12-25) Softcover with Working Papers and Circuit City Annual Report rules of accounting market, primary Accounting Principles, 18e via Wild, Larson and Chiappetta has continued and tailored to alterations in accounting, technology, and scholar studying styles. Its innovation is mirrored in its large use of small enterprise examples, the combination of recent automated studying tools, more suitable end-of-chapter material, and a hugely engaging, pedagogical design. Inclusion of Homework Manager, Homework supervisor Plus and Carol Yacht's common Ledger and Peachtree program software program presents scholars each virtue as they try to appreciate the major ideas of accounting and their function in business.

Fundamental Accounting Principles Volume 2 Ch 12 25 Softcover With Working Papers And Circuit City Annual Report
