Wer hätte gedacht, dass es eine Kopie vom 'Buch der Schatten' gibt? Die Halliwell-Hexen sicherlich nicht, denn durch dieses falsche Buch geraten sie dem gefährlichen Hexenjäger Solomon Ford in die Fänge. Es wird eine Herausforderung auf Leben und Tod, denn Piper, Phoebe und ihre Halbschwester Paige dürfen ihre Zauberkräfte nicht einsetzen, weil sie sie sonst an die Macht des Bösen verlieren würden. Da ist guter Rat teuer. Mit einem nicht ganz vorschriftsmäßigen Trick können die Hexen aber beweisen, dass sie nicht nur jedem Angreifer gewachsen sind, sondern auch über strategisches Denken verfügen. Sie bekommen überraschend Unterstützung von drei Schülerinnen der Budford High, die unwissentlich das Spiel der magischen Mächte durcheinander bringen. Im Reich der Schatten (Charmed: Zauberhafte Schwestern #28) Doch auf den zweiten Blick entpuppen sich Trish, D'reen und Sandy als würdige Vertreterinnen der Halliwells. Für kurze Zeit verwandeln sie sich in Junior-Hexen. Dass damit viel Schweiß und Mühe verbunden ist, dämmert den Mädchen langsam. Doch ihre Mühe wird schließlich belohnt, und ihr Ausflug wird zu Im Reich der Schatten (Charmed: Zauberhafte Schwestern #28) einem unvergeßlichen Abenteuer
