Johannine Christology and the Early Church

T.E. Pollard

Professor Pollard makes an attempt to teach how the early Church interpreted the Gospel of John and its witness to the individual of Christ. The 2 paradoxes implicit in John's theology - the excellence among the Father and the Son within Johannine Christology and the Early Church the harmony of the Godhead, and the divinity and humanity of Jesus Christ - have been built in various methods and the ensuing heresies arose from makes an attempt to disclaim one aspect or the opposite in each one paradox. Of their refutation of the heresies, at the different hand, the Fathers struggled to maintain either components of the paradoxes in equipoise. The several traditions got here into clash within the controversy which raged round the determine of Arius and his supporters within the fourth century, of which the climax got here within the debate concerning the perspectives of Marcellus of Ancyra.

Johannine Christology And The Early Church

The person is that how she invest to these speed customer well have terms but perks of the kind.
