# Le cheminot by Asada Jiro

Asada Jiro

Sur une petite ligne de chemin de fer sur le aspect d'être désaffectée, quelque half en Hokkaidô, au bout du monde, un vieux chef de gare... Alors que les souvenirs se pressent en cette nuit Le cheminot de réveillon, une tempête de neige fait surgir du passé le fantôme de Le cheminot I. a. petite fille du vieil homme, Yukiko, morte en bas âge, en même temps que tout ce qui était resté enfoui au fond de lui pendant un demi-siècle. Repli du temps juste avant I. a. mort, comme pour achever un memento qui aurait ici le goût de l'enfance. D'un récit à l'autre, voici le quotidien transfiguré par I. a. grâce d'une rencontre. Comme si notre monde matérialiste Le cheminot et désabusé pouvait être aussi fertile Le cheminot en miracles que celui de jadis. Comme s'il ne fallait pas désespérer, alors même qu'on s'y attendrait le moins, de voir s'allumer l'étincelle dans los angeles nuit.

Je suis tombé sur ces deux nouvelles par hasard. N'ayant jamais lu l'auteur, mais connaissant quelque peu son parcours, je m'y suis lancé. Certains trouveront les nouvelles mièvres, voire empreintes d'un lyrisme trop accentué. Pourtant, Le cheminot on y découvre une certaine fibre poétique, une valeur cachée. Axé sur un mode de construction « à I. a. chaîne », on regrettera seulement que l'auteur ne suggère pas plus de profondeur, plus de recherche dans ses personnages. Le yet est de distraire rapidement, de faire pointer quelques émotions ici et là. Travail bien effectué, bien que je sois resté quelque peu sur ma faim. La première nouvelle met en scène un vieux cheminot, veuf, dont I. a. mise hors provider du train, qu'il dirige et accompagne depuis des années, lui fait revivre diverses émotions, divers événements de sa vie. On tombe dans l'onirisme, un onirisme triste, empreint de I. a. tradition nippone. On partage avec le personnage ses émotions, ses visions. On l'accompagne dans les derniers jours de sa vie. Il fait le aspect sur celle-ci et le lecteur est los angeles bonne oreille à ses côtés qui l'accompagne jusqu'au bout. La seconde joue davantage sur le marchandisage de l'être Le cheminot humain. Que I. a. romance sonne fausse, le lecteur peut s'y attendre. Mais le traitement de los angeles thématique, l'approche réaliste (sans pour autant sombrer dans I. a. décadence ou I. a. critique ) donne une certaine profondeur à I. a. nouvelle. Contrairement à I. a. première nouvelle, l'auteur met en position un personnage qui ne s'apprécie pas, qui se recherche malgré Le cheminot toutes ses tentatives pour faire fortune. On déplace l'onirisme vers I. a. traite et le marchandisage des humains. Thématique intéressante, mais le propos, en soi, aurait pu mieux se prêter à celle-ci, mais à ce second le yet ultimate de los angeles nouvelle -se faire vendre Le cheminot dans les gares, dans les journaux, etc. rapidement sans trop offrir de profondeur - serait complètement raté. Intéressant, mais sans plus.
