Looking for Mr. Gilbert: The Reimagined Life of an African American

John Hanson Mitchell

Thirty years in the past within the attic of an outdated property in Massachusetts, John Hanson Mitchell stumbled on over thousand vintage glass plate negatives. He used to be informed that the images were taken by way of nineteenth-century ornithologist and conservationist William Brewster, yet due to a tip from a Harvard study assistant, he started to suspect that the pictures have been really the paintings of Brewster's Looking for Mr. Gilbert: The Reimagined Life of an African American African American assistant, Robert A. Gilbert. So starts the author's journey. From the maze-like files at Harvard's Museum of Comparative Zoology to the Virginia geographical region and haunts of yank expats in Nineteen Twenties Paris, in addition to the wealthy cultural international of blacks in nineteenth-century Boston, Mitchell brings sharp concentration to the determine of Mr. Gilbert, a quiet, unassuming Renaissance guy who succeeded as top as he may well underneath the iron ceiling of yankee racism. advised with Mitchell's trademark grace and style, the interesting tale of this "invisible man" Looking for Mr. Gilbert: The Reimagined Life of an African American deepens our figuring out of the African American prior in addition to the historical past of yank photography.
