My Sweet-orange Tree (Zeze #1) by José Mauro de Vasconcelos

José Mauro de Vasconcelos

Five-year-old Zezé lives in Rio de Janeiro, in a forgotten hunch in nice poverty. yet Zezé isn't alone. during this global of scolding and beating, he has came across a paranormal universe the place he spends such a lot of his time: the area of imagination. There ideas a candy orange tree referred to as Minguinho, and he's a tree like no other: he can talk. First released in 1968, this autobiographical novel is likely one of the most vital Brazilian classics.

Em 1968, José Mauro de Vasconcellos, autor brasileiro de origens humildes, publicou "O Meu Pé de Laranja Lima". Unânimemente considerado a obra-prima do autor, traduzido em mais de três dezenas de línguas, nele é contada a história de um menino de cinco anos, à beira das seis primaveras, pertencente a uma família numerosa e com poucos recursos. Registro marcadamente infanto-juvenil. Conteúdo adulto. Transversal a toda a obra, há um equilíbrio brilhantemente conseguido por José Mauro de Vasconcellos. Assistimos a momentos de violência, incompreensão, mas ao mesmo pace somos brindados com alegria, cor, inocência e ternura a rodos. A personagem principal, Zezé, um moleque sensível e inteligente, surge-nos tímido, mas à laia de personagem histórica, fruto do ambiente que o rodeia e das necessidades a ele associadas. Obrigado a crescer depressa, em virtude da numerosa família, com mãe funcionária de uma fábrica e pai desempregado, acompanhamos o surgimento dos seus "porquês", alternando em doses perfeitas o amadurecimento e a traquinice própria da idade. Obra obrigatória. "O Meu Pé de Laranja Lima" é um livro carregado de sentimento, difícil My Sweet-orange Tree (Zeze #1) de digerir, disfarçado de romance infanto-juvenil. Tem o mérito de conseguir emocionar-nos e a pretensão de ensinar-nos como é a vida. Mas não a vida citadina, não a vida My Sweet-orange Tree (Zeze #1) com glamour ou a vida dos sonhos realizados. Zezé é a nossa vida difícil ao "ritmo de favela", com muita esperança, mas pouca crença nessa mesma esperança. O fim abrupto poderá desiludir, mas apenas por haver potencial e estômago, quiçá desejo, para mais. No entanto, diga-se, apesar da amargura citrina da laranja e do limão, o sumo que Mauro de Vasconcellos nos serve é do mais doce e ternurento que existe."— Godofredo me contou uma coisa muito feia de voce?, Zeze?. E? verdade? Balancei a cabec?a afirmativamente. — Da flor? E?, sim, senhora.— Como e? que voce? faz?— Levanto mais cedo e passo no jardim da casa do Serginho. Quando o porta?o esta? so? encostado, european entro depressa e roubo uma flor. Mas la? tem tanta que nem faz falta.— Sim. Mas isso na?o e? direito. Voce? na?o deve fazer mais isso. Isso na?o e? um roubo, mas ja? e? um "furtinho".— Na?o e? na?o, D. Ceci?lia. O mundo na?o e? de Deus? Tudo que tem no mundo na?o e? de Deus? Enta?o as flores sa?o de Deus tambe?m... Ela ficou espantada com a minha lo?gica.— So? assim que ecu podia, My Sweet-orange Tree (Zeze #1) professora. La? em casa na?o tem jardim. Flor custa dinheiro... E european My Sweet-orange Tree (Zeze #1) na?o queria que a mesa da senhora ficasse sempre de copo vazio. Ela engoliu em seco."Nota: 5.0/5.0
