Carlos Martínez Sarasola

Este libro es una gran síntesis, importante y necesaria, de la vida, los angeles historia y el destino de las comunidades aborígenes en los angeles Argentina. Desde los primeros asentamientos humanos en nuestro territorio, 12.000 años atrás, describe los angeles evolución de las culturas precolombinas hasta el siglo XVI, la resistencia al conquistador, el proceso del mestizaje y colonización, Nuestros Paisanos los Indios: Vida, Historia y Destino de las Comunidades Indigenas en la Argentina la participación india en las invasiones inglesas y en las contiendas civiles, la lucha contra el blanco, el exterminio, el confinamiento y los angeles miseria. En este amplio panorama, se analizan además las políticas cambiantes de los sucesivos Nuestros Paisanos los Indios: Vida, Historia y Destino de las Comunidades Indigenas en la Argentina gobiernos hacia el indígena. Por último, el autor ofrece una propuesta para mejorar su situación actual. Ilustrada con numerosos mapas, gráficos y fotografías, esta obra de largo aliento busca rescatar del olvido a los hijos de la tierra, los hermanos argentinos que San Martín llamo nuestros paisanos los indios. Lleva un prólogo del Dr. Alberto Rex González. Hasta ahora, carecíamos de una obra de síntesis que tomara como punto de partida los diversos momentos y las diversas descripciones -presentes o pasadas- de las culturas aborígenes, las proyectara a la realidad de la historia inmediata o actual, y señalara los angeles gravitación que los grupos indígenas tuvieron en los angeles génesis única de nuestro pueblo y de nuestra Nación... Este libro de Carlos Martínez Sarasola intenta llenar este espacio. del prólogo de Alberto Rex González No solo por sus cuestionamientos centrales el trabajo de Martínez Sarasola se convierte en un libro clave de los angeles problemática india sino porque, de hecho, es una enciclopedia crítica que va articulando un enorme material... Un libro indispensable. David Vinas, Pagina 12 Un ensayo cabal para estudiar y deslindar los angeles cuestión indigenista en los angeles Argentina. Nicolás Cocaro, los angeles Nación.
