# River Rats: Growing Up on the Raritan River

Alison Hyland

River Rats: growing to be Up at the Raritan River is an upbeat and funny memoir of a boy transforming into up at the Raritan River throughout the nice Depression, similar to Tom Sawyer and Huck Finn. Dan Hyland, as a boy becoming up within the urban of recent Brunswick, New Jersey from 1930-1938, observed the final boats being locked throughout the Delaware and Raritan Canal. He knew the outdated lock keepers and River Rats: Growing Up on the Raritan River those who lived within the deserted barges alongside the canal. The Raritan River and the D&R Canal supplied sport that used to be either interesting and River Rats: Growing Up on the Raritan River very dangerous. Dan rode the ice flows at the Raritan after urban paintings crews dynamited the frozen river within the early spring. He met unusual and colourful individuals with names like "Corker Pete" and "Two-Cent Itszi." Dan and his pals pulled loads of stunts, prompted mischief, and had run-ins with waterfront bullies. He loved a unfastened and nearly unsupervised boy's life. funds was once approximately non-existent, so Dan and his neighbors pooled their resources, skills, and imaginations to discover methods of earning profits to visit the films and obtain their play equipment. They discovered the right way to capitalize at the local bootleggers and touring junkmen.
