# Seeing Zumthor--Images by Hans Danuser: Reflections on Architecture and Photography

Kobi Gantenbein

Hans Danuser is one of the finest modern Swiss photographers. Peter Zumthor is an both celebrated Swiss architect. Seeing Zumthor represents a special collaboration in their uncommon creative visions: Danuser's photos of the structures created by means of Zumthor are pictures that remark both at the artwork of images and the artwork of architecture. greater than 20 years ago, in a milestone occasion of twentieth-century architectural photography, Danuser photographed, at Zumthor's invitation, buildings: the protecting constitution equipped for archaeological excavations in Chur and St. Benedict's Chapel in Sumvitg. whilst first proven in exhibition, these photographs ignited a full of life debate that has been revived with a contemporary exhibition of Danuser's images of Zumthor's most famed work, the spa at Therme Vals. Seeing Zumthor collects those 3 vital sequence of Danuser's photos and comprises essays by means of major artwork historians exploring the connection among the 2 probably varied disciplines or structure and photography. a unprecedented work, Seeing Zumthor will proceed to impress a charming discussion among artwork historians, photographers, and architects.
