Still Fighting For Gemma by Susan D'Arcy

Susan D'Arcy

on the age of three, Gemma D'Arcy used to be clinically determined as having a unprecedented and incurable kind of leukaemia. This ebook is the tale of the way her mother, Susan, struggled to save lots of Gemma's life. it's also the tale of the way an environmental crime has allegedly been perpetrated at the British public via the British nuclear industry. Gemma was once born in West Cumbria, probably the most radioactively-contaminated parts within the world. Susan turned a growing number of confident that radiation from the close by Sellafield plant the place her husband labored used to be the reason for Gemma's disease. This e-book recounts Susan's public battles, her anger and sorrow and her fight to have the risks of nuclear reprocessing vegetation eliminated. Gemma died in 1990 on the age of six.
