Tales from Djakarta by Pramoedya Ananta Toer

Pramoedya Ananta Toer

stories from Djakarta is a set of 13 brief tales written among 1948 and 1956 - a interval of sour transition from the innovative period to the beginnings of army rule in Indonesia. those tales not just supply us a style of Pramoedya's previous writings, but additionally lead us on a sad travel via mid-century Jakarta along with her downtrodden citizens as our guides.

Dalam kumpulan cerpennya ini, Pram sekali lagi mampu menggambarkan Tales from Djakarta keadaan dan manusia Indonesia, khususnya Jakarta pada masa revolusi dan pasca revolusi yang penuh dengan paradoks, alih alih Tales from Djakarta membentuk suatu tatanan masyarakat yang lebih baik pasca kolonial, masyarakat Jakarta malah terjebak dalam kontradiksi-kontradiksi yang timbul baik dari pengaruh revolusi itu sendiri maupun oleh perkembangan zaman glossy di masa itu. Semua ini dapat dikemas dengan apik oleh Pram melalui cerpen cerpennya yang menggambarkan masalah-masalah hidup rakyat kecil yang pada intinya tak jauh beda - untuk tidak menyebut sama - dengan masalah-masalah masyarakat dewasa ini, berkutat dengan masalah keuangan, wanita dan kekuasaan. Salah Tales from Djakarta satu yang menarik dalam hal ini adalah cerpen Pram yang berjudul "Biangkeladi" yang cukup sukses untuk menohok kelakuan oknum-oknum politisi pada masa itu yang bermodal dasar hanya pada popularitas semata. Hal ini meskipun sudah lebih dari setengah abad dalam masa Pram tersebut, namun masih tepat digunakan untuk kritik sosial untuk para politisi kita dewasa ini yang tidak sedikit pula yang hanya mengandalkan popularitas dan aji mumpung tanpa adanya kompetensi yang memadai. Adapun cerpen-cerpen lainnya juga mampu menggambarkan keadaan serta manusia Indonesia pada masa itu yang masih tetap dapat dijadikan kritik sosial untuk Tales from Djakarta memandang permasalahan sosial dewasa ini, untuk itu secaa umum kumpulan cerpen Pram ini baik untuk dibaca bagi masyarakat Indonesia karena tutur kisah yang digunakan Pram sangat melekat dalam kehidupan masyarakat sehari-hari
