
The Clone Conspiracy by Allan Gross

Allan Gross

"This motion event tale proves as soon as and for all that the key of cloning arose from an old civilization, passing during the palms of Moses, The Clone Conspiracy Jesus, the mysterious guy often called Shakespeare or even John F. Kennedy prior to falling into the ownership of a splinter workforce of the Freemasons. Hidden ciphers result in a path of treachery, homicide and deceit that contaminated the superpower governments of the chilly War, corrupted pious

spiritual leaders and spawned a systematic and educational Mafia that jealously guarded our society's such a lot negative secret."

The Clone Conspiracy
