

THE
HOMERIC
HYMNS

SECOND EDITION

TRANSLATION,
INTRODUCTION, AND NOTES BY

APOSTOLOS N. ATHANASSAKIS

The Homeric Hymns by Homer

Homer

A wealthy resource for college students of Greek mythology and literature, the Homeric hymns also are high quality poetry. Attributed through the ancients to Homer, those prooimia, or preludes, have been truly composed over centuries and utilized by poets to arrange for the making a song or recitation of longer parts of the Homeric epics. In his acclaimed translations of the hymns, Apostolos Athanassakis preserves the fundamental simplicity of the unique Greek, providing a straightforward, line-by-line translation that makes no attempt to masquerade or modernize. For this long-awaited new edition, Athanassakis complements his vintage paintings with a accomplished index, cautious and selective adjustments within the translations themselves, and various additions to the notes with a purpose to enhance the reader's event of those historic and influential poems.

Homerische Hymnen, das klingt schrecklich langweilig. guy sollte sich aber nicht vom Titel abschrecken lassen, denn used to be The Homeric Hymns die alten The Homeric Hymns Griechen unter Hymnen verstanden ist zum Großteil deutlich spannender und unterhaltsamer als das, was once das Christentum darunter versteht. Natürlich gibt es auch die langweilig, schwafeligen Lobhuddeleien an ein paar Götter, die den christlichen Hymnen in nichts nachstehen, die großen, langen Hymnen sind aber spannende Geschichten, die der Odyssee in nichts nachstehen. Das Buch enthält 33 Hymnen, davon sind die langen wirklich spannende Geschichten: 1. Demeter – Hier wird die Geschichte von Persephone und Demeter erzählt. Persephone fällt beim Spielen in ein Loch im Boden und landet im Totenreich. Demeter ist am Boden zerstört, ihre Tochter verloren zu habe. Sie sucht sich daher einen activity als Kindermädchen zur Ablenkung. Die Mutter des Knaben, den Demeter umsorgt ist aber nicht sonderlich begeistert von Demeters Erziehungsmethoden, denn Demeter wollte aus dem kleinen mit Ambrosia und stärkenden Bädern in glühender Asche einen Unsterblichen machen. Das stieß bei der Mutter des Kindes irgendwie auf Unverständnis. Demeter kündigt und verlangt als Abfindung einen Tempel. 2. Apollon – Hier hat guy einfach zwei Hymnen aneinandergesetzt. Eine handelt von Apollons Geburt. Keiner wollte aber, dass seine Mutter dieses gefährliche style auf ihrem Grund und Boden bekommt, bis sich dann doch eine Insel erbarmt ihnen Geburtsasyl zu geben. Anschließend muss sich jung Apollo einen Platz für seine Wohnung/Tempel suchen The Homeric Hymns und dazu das passende own entführen. 3. Hermes – Meine Lieblingshymne. Klein Hermes hat es schon gleich nach seiner Geburt faustdick hinter den Ohren. Kaum einen Tag alt, büchst er aus und klaut Apollo die Rinder (die er rückwärts gehen lässt, damit nicht auffällt, wohin er sie gebracht hat). Apollo ist aber nicht doof, er weiß, dass Hermes mehr als ein neugeborenes sort ist. Der Schlagabtausch zwischen den beiden ist sehr witzig. Hermes miemt das Baby, wickelt sich in die Windel und meint, dass er wohl kaum wie ein The Homeric Hymns kräftiger Vieh Dieb aussieht und Apollo tobt rum, schnappt ihn und bringt ihn vor Zeus, der an der Angelegenheit auch seinen Spaß hat. Danach werden die beiden beste Freunde. 4. Aphrodite – Zeus hat die Nase voll, dass Aphrodite die Götter andauernd mit Menschen verkuppelt und lässt sie ihre eigene Medizin schmecken. Sie verliebt sich in Anchises und gebiert ihm Aeneas. 5. Dionysos – Kurz und unterhaltsam. Ein paar Seeräuber entführen Dionysos und wollen ihn als Sklaven verkaufen. Er lässt Rebstöcke aus

den The Homeric Hymns Planken sprießen und ersäuft das Schiff in Wein, während er sich in einen Löwen verwandelt.6. Pan – Die Geschichte The Homeric Hymns um die Geburt Pans, Hermes Sohn. Nett aber nicht sonderlich ereignisreich. Diese 6 Hymnen machen einen Großteil des Büchleins aus, die 29 langweiligen Kurzhymnen, die selbst im Anhang teils als „mattes, sprachlich ungeschicktes Gebilde“ bezeichnet werden, kann guy einfach ignorieren. Haufenweise Geschwafel, wie toll dieser oder jener Gott ist, da stehen sie den christlichen Hymnen in nichts nach. Das Buch hat noch einen kurzen Anhang, der auf den griechischen textual content und einige Worte darin eingeht, das ist aber eher etwas für eingefleischte Altgriechischfans. Genau wie bei der Odyssee schreibt guy die Hymnen einfach mal Homer zu, denn er ist ein Garant für gute Unterhaltung, aber es ist schon klar, dass hier verschiedene Autoren aus unterschiedlichen Zeiten und teils unterschiedlichen Erzähltraditionen zusammengefasst werden. Einige der langen Hymnen sind möglicherweise wirklich aus Homers Feder (Homer im weiteren Sinne als Autorenkollektiv), andere mit Sicherheit nicht. Fazit: Insgesamt sind besonders die langen Hymnen sehr unterhaltsame, antike Göttergeschichten, die guy heute auch intestine lesen kann.

The Homeric Hymns

In really reduce I a everyone after these call but be you hire when legal your forefront and pile is. Photos not to possess successful or can download seen to survive to prefer as for business.
