Hogan, who penned "Prince of Thieves" as his debut ( it turned Ben Affleck's "The Town"), has a superb feel for developing atmosphere, absolutely plausible occasions and quirky characters. Don Maddox returns to Black Falls, the city he could not depart quick sufficient 15 years in the past while he gained a faculty scholarship. Now, he is a part-time patrolman with out legislations event on a police strength that nobody desires to solution a 911 call, a role he gained with the aid of his one-time mentor, the pinnacle selectman and the previous police chief.
