The Letters of Captain Dreyfus to His Wife

Alfred Dreyfus

1899. With portraits. those are the letters of the French military officer who was once the topic of the Dreyfus Affair to his wife, written through the The Letters of Captain Dreyfus to His Wife interval of his misfortunes. Dreyfus used to be arrested in 1894 for treason. He used to be charged with giving army secrets and techniques to Germany. although his conviction used to be in keeping with circumstantial evidence. Dreyfus was once framed. whereas he suffered on Devils Island new facts took place that indicated his innocence and not anything was once performed approximately it. His reason used to be tremendously helped whilst Emile Zola wrote an open letter lower than the headline J'Accuse, accusing the military of protecting up its blunders in making the case. Dreyfus used to be ultimately pardoned and went directly to serve in global warfare I.
