# The Steps Up the Chimney (The Magician's House Quartet #1)

William Corlett

William, Mary and Alice arrive at Golden condominium on their Christmas holidays, and it does not take them lengthy to understand that there's whatever mysterious concerning the old house. William's inquisitiveness attracts them to the key steps up the chimney and into the key room the place the magician lives.

Für William, Mary und Alice ist Weihnachten dieses Jahr kein gewöhnliches Weihnachtsfest. Da ihre Eltern durch ihre Arbeit im Ausland sind, verbringen die Geschwister ihre Winterferien im Golden apartment bei ihrem Onkel Jack und dessen schwangerer Freundin. Wohl fühlen sich die Kinder jedoch nicht im Golden House. Das Haus wirkt kalt, abgelegen und unheimlich, dazu fühlen sie sich von drei Tieren beobachtet, die anscheinend überall auftauchen, wo auch sie sind. Gleichzeitig entdecken sie bei einem Rundgang ein Fenster, das gar nicht vorhanden sein darf. Sie wollen das Geheimnis ums Fenster unbedingt lösen und machen dabei eine Entdeckung, die ihr Leben für immer verändern wird, denn sie The Steps Up the Chimney (The Magician's House Quartet #1) werden in die Kunst der Magie eingeführt. Von William Corletts "Das Haus des Magiers"-Reihe habe ich schon viel gehört. Wieso ich dieser Reihe jedoch so spät erst eine likelihood The Steps Up the Chimney (The Magician's House Quartet #1) gegeben habe, ist mir schleierhaft. Von daher kam mir die Neuauflage, die in diesem Jahr erschienen ist, gerade recht. "Die Stufen im Kamin" ist der erste von insgesamt vier Bänden, in dem die Geschwister William, Mary und Alice magische Abenteuer erleben. Das Buch beginnt schleppend. Der Autor hat sich zwar bemüht, den Leser direkt in das Geschehen einzubringen, allerdings habe ich mich mehr wie ein stiller Beobachter gefühlt. Die Charaktere werden intestine beschrieben und auch halbwegs sympathisch dargestellt, aber dennoch wirkten sie niemals greifbar für mich. Alice ist mit ihren acht Jahren das Küken unter den Geschwistern und kein einfaches Kind. Sie ist schnell beleidigt, handelt voreilig und gibt anderen Menschen nur schwer eine Chance, The Steps Up the Chimney (The Magician's House Quartet #1) selbst dann, wenn sich diese sehr um das junge Mädchen bemühen. Mary ist ebenfalls schwierig, handelt allerdings reifer als ihre jüngere Schwester. Sie wirkt sehr eitel und oberflächlich, besitzt dafür aber großen Mut und überlegt, bevor sie handelt. William ist der älteste der Geschwister und am Anfang der Pubertät. Dadurch handelt er oft vorschnell und möchte erwachsener und reifer als seine Schwestern wirken. Zwar ist er dies zum Teil, allerdings merkt guy es ihm nur selten an. So bricht er u.a. ständig Versprechen und möchte auf eigene Faust handeln. Als Leser hat guy es mit den drei Geschwistern sicherlich nicht leicht. Oftmals habe ich mich dabei erwischt, wie ich mit dem Kopf geschüttelt oder The Steps Up the Chimney (The Magician's House Quartet #1) die Augen verdreht habe. Allerdings sollte hier auch gesagt werden, dass die Geschwister trotz aller Differenzen und teilweise sehr kindischem Verhalten immer zusammenhalten, wenn es wichtig ist und ihr Mut in dieser Geschichte beispielhaft ist. Der Schreibstil ist leicht, flüssig und kindgerecht. Da die Geschichte vor allem für jüngere Leser geeignet ist, hat William Corlett die Wort genau richtig gewählt. Die Sätze sind kurz, leicht verständlich und dennoch spannend gestaltet. Die Fantasyelemente sind intestine verteilt. guy wird nicht überfordert und kann dem The Steps Up the Chimney (The Magician's House Quartet #1) Geschehen und der Entwicklung intestine folgen. Inhaltlich gibt es hier allerdings noch

---

einige Schwächen, die hoffentlich in den Folgebänden ausgebessert werden. William, Mary und Alice haben für meinen Geschmack die ersten Geheimnisse des Hauses viel zu früh entdeckt. Es wäre spannender gewesen, *The Steps Up the Chimney (The Magician's House Quartet #1)* wenn guy das mehr oder weniger geheime Fenster über ihrem Zimmer und die Treppe im Kamin etwas später entdeckt hätte. Gerne hätte ich mehr mit den Kindern gegrübelt, statt recht früh alles auf dem Präsentierteller zu erhalten. Die Covergestaltung kann guy mögen, muss guy aber nicht. Obwohl es hier die wichtigsten Dinge aus dem Buch enthält, wirkt es auf mich eine Spur zu überladen. Abgebildet sind hier William und der Fuchs, der in diesem Buch eine Rolle spielt. Gleichzeitig sieht guy im Hintergrund die Steintreppe, die im Kamin eingebaut wurde. "Die Stufen im Kamin" ist ein guter, aber nicht überragender Auftakt, der noch viele Schwächen aufweist. Allerdings sollte hier gesagt werden, dass die Geschichte alles andere als schlecht ist. Wer bereit ist, diese Geschichte *The Steps Up the Chimney (The Magician's House Quartet #1)* aus Sicht eines Kindes zu lesen, wird mit diesem Buch seinen Spaß haben und auch die Folgebände lesen wollen. Empfehlenswert für junge Leser zwischen eight *The Steps Up the Chimney (The Magician's House Quartet #1)* und 14 Jahre.
