Welcome of Tears: The Tapirape Indians of Central Brazil

Charles Wagley

Now thought of a classic, this informal, humanistic, and extremely readable account of the aboriginal Tapirape Indians who reside within the Amazonian basin enlarges our wisdom of the variety of existence in an more and more homogenized world. Wagley's tale *Welcome of Tears: The Tapirape Indians of Central Brazil* of the folk of this small group who've built specific and creative equipment for dealing with common difficulties (e.g., human reproduction; knowing the true and imaginary forces of the universe; human well-being) increases questions about Western fiscal expansionism and anthropological accountability to 3rd global peoples.

Welcome Of Tears The Tapirape Indians Of Central Brazil
