Avital Feuer

during this Hebrew language studying setting, students' backgrounds and histories are diverse: a few Who Does This Language Belong To? Personal Narratives of Language Claim and Identity (PB) have been born and raised in Canada, the United States, or South Africa and studied Hebrew at Jewish day schools; others have been Who Does This Language Belong To? Personal Narratives of Language Claim and Identity (PB) born within the former USSR, immigrated to Israel as children, and moved to Canada with their households as teenagers; others have been young children of Israeli emigrants who discovered Hebrew at home. This ethnographic qualitative examine examines conflicting camps in the Hebrew class, outlined via themselves and Othered by way of opposing sub-groups as "Canadians" and "Israelis." because the scholars and the writer negotiate their robust ties to the language with Othering and exclusion via different sub-groups from the dominant speech community, the sentiment of the Israeli emigrant professor concerning her scholars hangs overhead: "None of Who Does This Language Belong To? Personal Narratives of Language Claim and Identity (PB) them are Israelis. None of them are local audio system of Hebrew." Who does this language belong to? Which subgroup can claim authenticity as real, rightful vendors of the language and its indelible tradition and identity? As language courses around the world take care of a various and heterogeneous pupil inhabitants who input the school room labeled as heritage, second, bilingual, foreign, or local language speakers, this ebook addresses clashing and Othering among sub-groups over the authenticity of the range of the language and its speakers, and who can rightfully declare the language as their own.
