# You've Changed: Sex Reassignment and Personal Identity

Laurie Shrage

Is intercourse identification a function of one's brain or body, and is it a relational or intrinsic property? who's within the most sensible place to understand a person's sex, will we every one have a You've Changed: Sex Reassignment and Personal Identity real sex, and is a You've Changed: Sex Reassignment and Personal Identity person's intercourse an alterable characteristic? whilst a person's intercourse task changes, has the previous self disappeared and a brand new one emerged; or, has in basic terms the general public presentation of one's self changed? "You've Changed" examines the philosophical questions raised through the phenomenon of intercourse reassignment, and brings jointly the essays of students identified for his or her paintings in gender, sexuality, queer, and incapacity studies, feminist epistemology and technology studies, and philosophical debts of non-public identity. An interdisciplinary contribution to the rising box of transgender studies, it will likely be of curiosity to scholars and students in a few disciplines.
